Dear Mr. Rucker:

RESCISSION OF CLEANUP AND ABATEMENT ORDER NO. 98-24

On February 23, 1998 the Executive Officer issued Cleanup and Abatement Order No. 98-24 to the Vallecitos Water District after several large spills from a 24-inch force main which transports raw sewage from your service area to the Encina Water Pollution Control Facility for treatment. Cleanup and Abatement Order No. 98-24 required the District to replace the failing force main by May 31, 1998. By letter dated July 8, 1998, the Vallecitos Water District notified Regional Board staff that replacement of a 8100 foot section of the pipeline had been completed.

An opportunity for public comment on the rescission of Cleanup and Abatement Order No. 98-24 was provided in the Agenda Notice for the August 12, 1998 Regional Board meeting. No comments were received on this proposed rescission. Accordingly, I am rescinding Cleanup and Abatement Order No. 98-24.

If you have any questions regarding this matter, please contact Rebecca Stewart at (619) 467-2966.

Respectfully,

JOHN H. ROBERTUS
Executive Officer
